

14th December 2020

Dear Parent/Carer

Remote Learning for Year 11 Students

I spoke too soon! Since sending my last update this morning, we have received notification of another positive case in Year 11 which now means that we have approximately one third of the Year Group self-isolating and almost half of the Year Group absent from school, in total. Therefore, we have made the decision for Year 11 students to revert to Remote Learning at home from tomorrow, for the remainder of this week. **All other students should continue to attend school, as normal, unless they are unwell or are self-isolating.**

I hope that we will be able to continue with all remaining students until the end of the week, but I will update you, if necessary.

Yours sincerely

Mr S Dey
Principal
