

1st April 2021

CPA College Extra-Curricular Provision Summer Half term 1

Dear Parents/Carers

We are excited to say that extra-curricular activities are back! These extra-curricular activities will run up until May 28th and after that we will re-evaluate what we are offering in accordance with Government guidelines.

If your daughter/son would like to take part in an extra-curricular activity then we request that you complete the relevant Google form – please do not use your child's school email address. The timetable is attached to this email. To access the Google form please click on the activity for the correct bubble and this will take you straight to the correct Google form. We will allocate places on a first come first served basis.

You will be sent a notification by **Friday 23rd April** that your daughter/son has either received a place or is on a waiting list. Activities will commence on **Monday 26th April (Week A)**. The timetable operates on a two-week timetable. **Please note that the Google forms will close on Friday 16th April. For KS3 Dance, please notice that Colleges have specific dates, ensure you are signing up for the correct College and Date.** Please complete the form as soon as possible to avoid disappointment.

For activities that are still Virtual **it is really important that you and your son/daughter do not share these links with anyone outside of Riddlesdown Collegiate.** All students need to spotlight or PIN the member of staff running the session and all sessions will be recorded in accordance with our Live lesson policy.

If you do not attend a Club for two weeks consecutively you will automatically forfeit your place. If you have a valid reason for non-attendance, please email the relevant teacher for that Club direct. Email addresses for teachers can be found on the Riddlesdown website.

The CPA staff are really looking forward to providing students with ways to **'beactive'** and **'becreative'**.

Many thanks

Miss Theresa Ward
Assistant Principal, Headteacher, CPA College
