

16th April 2021

Dear Parent/Carer

Summer Term

I hope that everyone has remained well and enjoyed the Easter break.

Just two reminders for the start of the Summer Term

1. Following the government's [update](#) last week, the *system of controls* remains unchanged for now, which means that face masks should continue to be worn in all indoor communal areas, including classrooms. It is expected that the need to wear face masks in classrooms will be relaxed at Step 3 of the government's roadmap, no earlier than 17th May 2021.
2. In addition, students who collected home test kits before the break are reminded to test themselves on Sunday before returning to school the following day and to keep testing twice weekly if they still have remaining unused tests. If we receive more test kits in the new term, we shall arrange distribution.

We look forward to seeing students back at the Collegiate in full school uniform and ready for the term ahead on Monday, 19th April 2021.

Yours sincerely

Mr S Dey
Principal
