

18th July 2022

Dear Parent/Carer

College VI Induction Day – Wednesday 20th July 2022

Due to the continued extreme temperatures forecast for tomorrow, we have made the decision to move College VI Induction to **Wednesday 20th July 2022 only**. Despite the change, we will still be able to offer students a full experience of College VI, including induction lessons in all of their chosen subjects, with the only difference being that these lessons will now be single, rather than double lessons.

My apologies for any inconvenience caused by this change, however, given the circumstances, we feel it is the right course of action for student and staff well-being, and to ensure a positive first experience of College VI. Whilst the temperature is forecast to drop significantly on Wednesday, it will still be a very warm day, therefore, we will relax our dress code to summer uniform, in line with the rest of the school, meaning ties and jackets are not required.

To confirm, the schedule will now be as follows:

- **From 8.15am:** Arrive and head straight to the College VI Common Room. There will be lists up in the room to give you your Tutor Group for the morning.
- **9.00 – 9.30am:** Welcome Assembly
- **9.30 – 10:20am:** Tutor session with ice-breaker activities and timetables for the day issued.
- **10.20 – 10.40am:** Break
- **10.40am onwards:** Induction lessons, ID photos, College VI welcome session
- **3.00pm:** End of day

The College VI Café will be open throughout the day to purchase refreshments and operates a cashless system. There will be time at the end of the day if students wish to discuss their subject options or any other issues that arise, with myself or my Deputy, Mr Weeks.

Thank you for your patience and understanding of the changes outlined. We are looking forward to welcoming our new Year 12 students to College VI on Wednesday.

Your sincerely

Mike Smith
Headteacher, College VI
