

11th December 2022

Dear Parents/Carers

We are hoping that we will be able to open school tomorrow. The Facilities Manager will assess the access to school and the site conditions early tomorrow morning, at which point we will decide whether the site is safe for operation.

We will delay the start of the school day to support staff and students in their journey to school. **Students should aim to get to school for 9.10am and register in their Tutor Room**, continuing the day from period 2 as normal. This will give everyone a bit more time to travel safely.

Students should not arrive before 9am.

Students should arrive wearing full school uniform, with extra layers and sensible footwear in order to be comfortable.

Should we find that the site or access to it is not safe, we will close the school and move to remote learning. A message will be sent early in the morning if this is the case.

Best wishes,

Katie Turner
Principal
