

30<sup>th</sup> November 2023

Dear Parents and Carers,

I hope your children have had a productive day of online learning. Thank you for adjusting your plans to ensure they were able to learn off-site at short notice.

A reminder that lessons will start from period two tomorrow, at 9.30am.

It has been a productive day on-site with our Facilities Team and contractors conducting investigations and making preparations to connect the new heating system. As we have moved to virtual lessons, I have been pleased that the visit by the electrical contractors has been pushed forward from Saturday to today. They have started their investigative work and will need two more days to complete their investigations. They will conduct work to rectify the electrical issues on Monday. *I am therefore emailing you to confirm that the site will be closed to everyone on Monday 4<sup>th</sup> December 2023* and we will continue with virtual lessons on Monday.

For Monday, we will have a virtual school day starting with tutor time registration at 8.30am. Please do contact tutors or the central Riddlesdown number if you require any support. All staff are working their normal hours and will be at hand to support you.

I am aiming to contact you on Monday afternoon with an update about arrangements for Tuesday.

Thank you for your support and I hope you have a restful evening.

Yours sincerely,

Dr Parimal Bhatt  
Principal
