Wednesday Week B	3-4pm	Diversity Club	all	P02	JLR	For all students who think people should be treated the same no matter who they are. We will be examining how inclusive our community is and what we can do to support everyone in it. We want to raise awareness, respect and tolerance for diversity and have a voice and make it heard.	15	WEEK B ONLY
Wednesdays	3-4pm	Hip Hop Poetry Club	all	PO6	Mrs McNally (LBM)	Come along if you love rap/hip hop and want to find out where it came from, listen to lots of different hip hop tracks from over the years and look more closely at the lyrics to think about the deeper messages layered within. Towards the end of term, we will then write our own hip hop poetry / lyrics, and help each other craft them to be the most impactful they can be. There is also the opportunity to perform your lyrics alongside the streetdance club later on in the year.	15	
Wednesday	3.05 - 3.45	Year 8 Amazon Web Project	Year 8	X04	Ms E Certenais	Design an app to support your community! Teen Tech and AWS GetIT aims at developing digital skills, challenge gender stereotypes within the tech industry, and consider a career in technology. The programme enables students to design an app that makes a real, tangible social change within their community. By February, selected app ideas will be entered into a competition against teams from other schools across the country. Previous app ideas ranged from managing stress and mental health, encouraging consumption of recyclable products and planning ahead to complete schoolwork. To enter your project at competition level, you will need to form a team of 6 students maximum (with as many girls as possible as we are so short of girls in STEM subjects!). This project will benefit from 3 different providers	16	Kick off last week of September
