

10th February 2025

Dear Parent/Carer

Memorial for Jaiden Shehata

In remembrance of Jaiden and the impact he had on our school, we would like to create a special seating area for students to enjoy, named after Jaiden. This memorial space will serve as a lasting tribute, providing a peaceful and welcoming environment for students to sit, reflect, talk and enjoy one another's company. To help bring this vision to life, we invite families who wish to contribute to do so through this [JustGiving](#) page or by scanning the QR Code below. Any donation will be greatly appreciated as we work to create a meaningful and beautiful space in Jaiden's memory. We are deeply grateful for your support in honouring Jaiden and creating a place where our community can remember him.

Safer Travel and Bourneview Crossing

Further to our letter regarding the Bourneview crossing on 3rd February 2025, please find attached a letter from Sir Andrew Haines, CEO of Network Rail, in response to our letter to him last week, calling for the closure of this crossing. The petition that Mr Dey mentioned has attracted nearly 3,500 signatures already - please consider adding your voice if you have not already by clicking [here](#) and we shall keep you updated about any further developments.

Funeral Arrangements

Jaiden's funeral has been arranged for 25th February 2025 at St Mary and St Shenouda Coptic Orthodox Church in Coulsdon. If any close friends are planning to attend, then please ensure that you have notified the school, and any student attending must be accompanied by an adult.

Thank you for your continued support and for being there for one another and for us. Together, our strong and united community will honour and cherish Jaiden's memory.

Yours faithfully

Mr D A Osborne
Principal
