

# Can you help with our production?

## Riddlesdown Collegiate Presents

After a really successful show last year, Riddlesdown Collegiate is proud to announce that this year we will be performing *The Addams Family*. Our productions are always of a very high standard. We have a cast of approximately 200 students, including cast, orchestra and technical crew. Producing a show of this size is expensive.

We are looking for partners who might want to sponsor our show. This sponsorship would help us pay for costumes, make up, staging, lighting and special effects.

In return for your sponsorship we would place an advert in our glossy programme and on the show website and in our school newsletter. Please contact [theresa.ward@riddlesdown.org](mailto:theresa.ward@riddlesdown.org) if you are interested in sponsoring our show! Thank you
